# Introducing Skillsoft Percipio

Online learning at Valdosta State University has changed! We are excited to share with you Percipio, the easiest way to discover and engage with mission critical information you need to successfully develop your skills and perform your job!

1) Go to **MyVSU** at **www.valdosta.edu** and log in. Percipio uses SSO (single sign on) credentials that enables you to have immediate access upon logging into MyVSU.

   From there, select Percipio from the Portals portion of the bottom-right side of the screen. *Note: you may have to first click on the View All button in order to find Percipio since it's likely not been added to your favorites.*
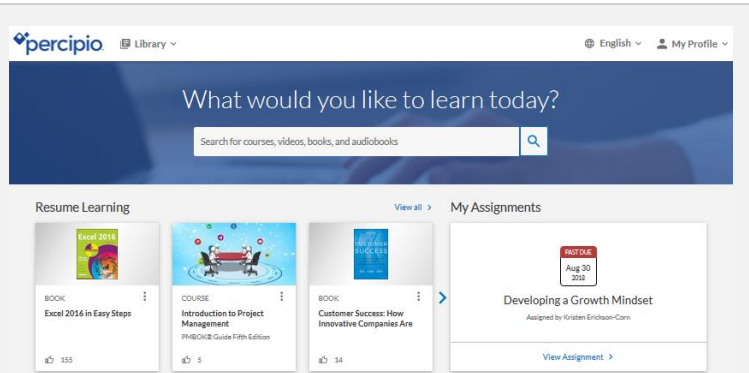

2) Upon initial login, you will reach an **Onboarding** page, which is split into two screens. Select at least 3 interests that you would like to explore to personalize your homepage experience!
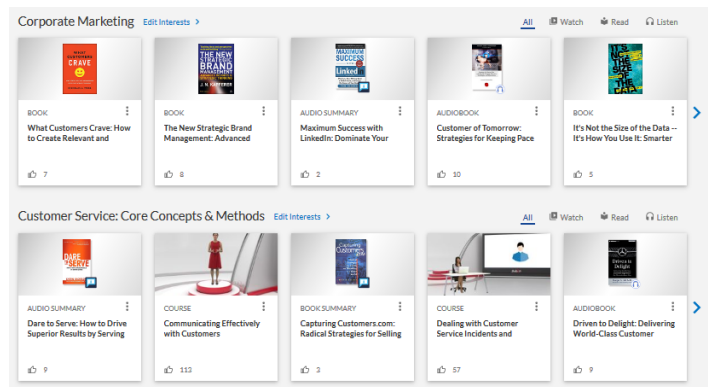

3) From the homepage, visit your **assignment(s)** and explore your assigned content.
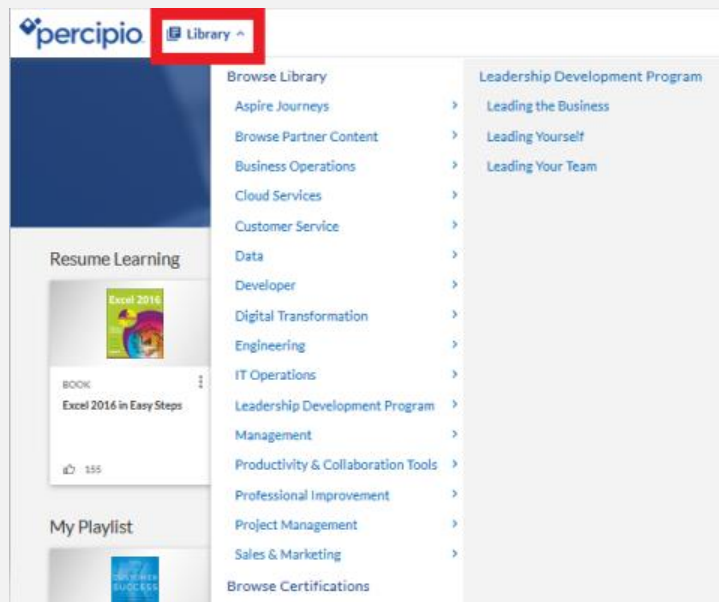

How many assets are assigned to you?

_____

4) From the **Homepage**, explore the material recommended for you based upon your interests. These interests are grouped into channels with three primary categories.

What are the three categories?
