### What would you like to do?

#### [Prepare for Registration](#)

View registration status, update student term data, and complete pre-registration requirements.

#### [Register for Classes](#)

Search and register for your classes. You can also view and manage your schedule.

#### [Plan Ahead](#)

Give yourself a head start by building plans. When you're ready to register, you'll be able to load these plans.

#### [Browse Classes](#)

Looking for classes? In this section you can browse classes you find interesting.

#### [View Registration Information](#)

View your past schedules and your ungraded classes.

#### [Browse Course Catalog](#)

Look up basic course information like subject, course and description.

Select what function you would like to do (*each opens in a new tab*):

**Prepare for Registration | Plan Ahead | View Registration Information  
Register for Classes | Browse Classes | Browse Course**

**For students, Degree Works:**

- Provides real-time advice and counsel
- Speeds time to graduation
- Provides intuitive web access to self-service capabilities
- Streamlines the graduation process
- Allows direct access to multiple related services and advice through hyperlinks to catalog information, class schedules, transcripts, help desk services, and FAQs

**For advisors, Degree Works:**

- Supports real-time delivery of academic advice through intuitive web interfaces
- Minimizes errors through consistent degree plans
- Supports more timely degree certification
- Reduces paperwork and manual program check sheets
- Supports and monitors unique program changes
